Sutton Coldfield Art Trail

Below are details for the 11th Sutton Coldfield Art trail which will take place this year on the 29th and 30th of June.

Welcome to the Sutton Coldfield Art Trail 2024

This is the ninth annual Art Trail. Eleven centres around the town are hosting practising artists from this area. Centres include private studios, public areas and gardens. Many different types of art will be on show, including painting, ceramics, textile work, jewellery and collage – much of it for sale. You will be able to see displays of art, artists at work and talk to them about their work, materials and working methods. We aim to have something for everyone, including children’s activities at some of the venues, and to show the best of art in this area.

Venues, artist details and a map are inside this leaflet. If you sign in and receive a stamp on the leaflet at all the venues, you will be entered for a prize draw.

However you travel – by public transport, car, on foot or bicycle – we are looking forward to meeting you and hope you will make new discoveries and enjoy the weekend.
